RESCISSION OF PREVIOUS NON-PUBLICATION REQUEST AND
NOTICE OF FOREIGN FILING**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Under 37 CFR 1.8(b) and MPEP §512 (IV), Assignee provides this notification to the U.S. Patent and Trademark Office ("USPTO") of a previous mailing of a Rescission of Previous Non-Publication Request with Notice of Foreign Filing ("Rescission") that the USPTO does not appear to have received. In connection with this notification, the Assignee hereby requests confirmation from the USPTO that the Rescission is considered timely filed under 35 U.S.C. §122(b)(2)(B)(iii) and requests publication of the application under 35 U.S.C. §122(b)(2)(B)(iv).

In support of this notification, the Assignee supplies an additional copy of the Rescission as Exhibit B. In further support of this notification, the undersigned provides a statement, as follows:

Statement

1. The undersigned signed a certificate of mailing complying with 37 CFR 1.8(a) on a transmittal letter ("Transmittal") for the Rescission on August 24, 2004. The Transmittal is attached as Exhibit A.

2. The undersigned signed a certificate of mailing complying with 37 CFR 1.8(a) on the Rescission itself on August 24, 2004. The Rescission is attached as Exhibit B. The Rescission is a USPTO PTO/SB/36 form providing for both rescission of a prior non-publication request, and notice of foreign filing.

3. Our internal record ("Record Card") for this application shows that the Transmittal, Rescission, and a Return Receipt Post Card ("Documents") were delivered to our docketing department as usual for mailing to the USPTO. A copy of the Record Card is attached as Exhibit C.

4. The Record Card is initialed by docketing personnel in the upper right hand corner. The initials indicate that docketing personnel confirmed that the Documents listed on the Record Card were present and included in an envelope mailed to the USPTO on August 24, 2004, consistent with the certificate of mailing on the Transmittal and on the Rescission.

5. The facts noted above evidence prior timely mailing of the Documents to the USPTO.

6. The undersigned has submitted this Statement promptly after becoming aware, as a result of reviewing the file in light of now active prosecution, that the USPTO did not publish this application, and after verifying that there is no record of having received from the USPTO a stamped Return Receipt Post Card and verifying that Private PAIR shows no receipt of the Rescission.

7. The earliest filing date of an international application based on this application, for an invention disclosed in this application, is September 15, 2004.

8. The facts noted above in paragraphs 1-4 establish mailing of the Rescission on August 24, 2004, prior to the earliest international filing noted above in paragraph 7. The Rescission was therefore timely filed in compliance with 35 U.S.C. §122(b)(2)(B)(iii), which requires notification to

the USPTO of international filings less than 45 days after the date of international filing.

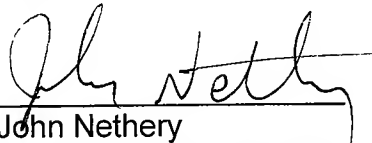

Actions Requested

1. Assignee hereby requests confirmation from the USPTO that the Rescission is considered timely filed under 35 U.S.C. §122(b)(2)(B)(iii).
2. Assignee hereby requests acceptance and entry into the record of the duplicate copy of the Rescission.
3. Assignee hereby requests publication of the application in accordance with 35 U.S.C. §122(b)(2)(B)(iv).

Closing Remarks

The Commissioner is invited to contact the undersigned attorney for the Assignee via telephone if the Commissioner has any questions, comments, or concerns, or if a telephone conference would otherwise expedite the review of this notification.

Respectfully submitted,

John Nethery
